Awards Assembly 1pm

5/31

Last Day! Release Time  
11:09 am & 11:19 am

This year we will offer summer tutoring to select students who have not shown readiness for the next grade in math or language arts. Summer school will not be provided in the district this year. We will be contacting parents very soon to offer our tutoring services to students identified for support. These students were identified using a variety of criteria in addition to academic deficiency. If your child was not invited to be a part of our tutoring program and you would like to discuss their specific situation please call me at the school (307)885-2472.

For those who made classroom placement requests, please remember we do our best to accommodate requests, but placement is a complex endeavor that must consider a variety of factors. The window for requests has now closed and we are working to build class assignments for each student. If you would like to know the teacher to whom your child is assigned, we will be sending those home at the end of the year assuming you have registered your child as noted below.

All students need to be registered for next year via our online registration program. Instructions on how to do this were sent to parents in April. If you have not yet registered your children, please cut and paste the following URL in your browser and follow the instructions. <http://tech.lcsd2.org/parents/returning-household-registration-guide/>

Thank you for helping make this a great year at Etna Elementary. We appreciate your support and all you do to make this a good experience for your child. As always, if you have any questions please feel free to give me a call at 307-885-2472.

*Mr. Klein*

The end is near!  
... end of the school year.  
Time to return your books!

Check house, room, and car  
Or locations bizarre -  
These places are all worth a look!

Thank you for helping you students find their checked-out books that need to be returned. All library books are due by Thursday, May 16th.

We appreciate your support!

*Where we Think, Learn, Achieve and Care*

To celebrate a great year of after school Enrichment classes at Etna Elementary, we are hosting two Family Enrichment Nights, Tuesdays May 7th & May 14th. Preregistration has taken place. For those who have signed up we are serving dinner from 6:00 - 6:30, followed by your choice of class. There is NO charge to participate. Students must be accompanied by at least one parent or guardian. Family members 5 years and up are welcome to attend. Brought to you by 21CCLC Grant Funds and Etna After School.

Lincoln County School District #2 is pleased to partner with Lava Hot Springs to provide three sessions of Swim-N-Learn for summer 2019. The new program features lessons from the American Red Cross. We will provide busing from Etna and Afton. Registration links will be available soon and online payments will be accepted. Here are the dates:

Swim-N-Learn Session 1 at Lava Hot Springs: June 3-6 and 10-13

Swim-N-Learn Session 2 at Lava Hot Springs: June 17-20 and 24-27

Swim-N-Learn Session 3 at Lava Hot Springs: July 8-11 and 15-18

We have been grateful for the many programs that have been paid for with 21st Century Community Learning Centers (21CCLC) money, including: Swim-N-Learn, Mastery Camp, Gearing Up for Kindergarten Preschool, Morning Fitness, STEM after school classes and Friday Academy. Moving forward, there are changes being made. Some of these programs will continue under the grant, and some will continue under Lincoln County School District #2. We appreciate your patience as these changes are made. You will receive notification for each program as details are confirmed.

Heartfelt thanks goes to Christine Turner for her many years of service in creating and directing the 21 CCLC Grant Programs for our schools. She has enriched the lives of students and families and we are grateful for her lasting influence in this community. All our best to her as she pursues new avenues.

**PTO  
News**

What a great year it has been! Thank you so much for your support and help! As the school year wraps up there are still a few activities to look forward to. Sixth grade field day is May 21<sup>st</sup> at SVMS and we may need a few volunteers to come help.

**The last Banking Day is May 15.** Please make sure your student has their bank bucks turned into the bank by May 22 if they are working towards the \$25 deposit. Thank you to all of those who volunteered their time to help students with this program.

If you are willing to help in any way, please call or text Heidi Webb 208-716-1879. Thank you!
