School Spirit Day
Mustang Roundup**

**March 27-31
Spring Break**

Principal's Message

Parents,
I have accepted a principal position in Jordan School District, Columbia Elementary, for 2023-2024 school year. This was a very difficult process and decision, but there are several personal and professional factors that made it the right thing for our family. I have appreciated my ten years at Etna, the relationships with teachers and parents, but most of all my time with students. Your support of me over the years has been amazing as we all played for the same team (your children). It is certainly a bittersweet time for me. Thank you all for allowing me time with your children.

Keith Klein
