October 2024 Newsletter

Etna Elementary Friends and Families,

What a great start to the year we have had. Thank you for all of your support, we could not do our job without you! I am so excited to get the "Leader in Me" program up and running for your children. Our staff has been receiving training and we will be rolling it out to our classrooms soon. It's going to be an amazing tool where students will learn to apply Stephen Covey's *7 Habits of Highly Effective People* through grade level resources and lessons. I can't wait to see the amazing things our students will unlock within themselves! Please reach out with any questions or concerns you have.
