## February 2025

### Random Acts of Kindness Week!

February 10th to 14th.

The Etna Elementary Student Council is selling candy grams to spread some extra kindness to our students. We will be sending out more details soon.

The profits from this fundraiser will go to a local charity.

We are excited to have ALL grades go skiing at White Pines Ski Resort this winter. Please see this calendar for ski dates. 4th and 6th graders are skiing in February and 5th graders are skiing in March. Please make sure all forms and money are turned in as soon as possible. If you have any questions, please contact your child's teacher or the office at 307-885-2742.

### Specials Corner - Library

This winter, students continue to participate in makerspace rotations in the library! Makerspace activities are designed to engage students in critical thinking, cooperation, hands-on learning, and resilience in the face of difficulty or failure. Our stations this year include 3D pens, Lego boats, marble run, popsicle stick chain reaction, origami, and straw builders. Each rotation we read a story that reminds us to apply the target skill, growth mindset, as we work together on projects. We are also reading and learning about global and national holidays like Lunar New Year, Martin Luther King Jr. Day, and President's Day; along with practicing library and media literacy skills.
