HAPPY NEW YEAR

Welcome Back Students!

PLEASE REMEMBER TO WEAR PROPER WINTER CLOTHING AS WE HAVE OUTSIDE RECESS EVERYDAY.

A huge thank you for supporting our hygiene drive in December. The Thayne and Alpine Food Banks were able to fill some empty shelves and they appreciate all the donations.

Specials Corner - PE

In PE we are working on teamwork and good sportsmanship - being positive and talking out disagreements

At the beginning of the year, I introduced playground games like foursquare and tetherball. Later we practiced throwing, catching, kicking footballs and played ultimate football. We also practiced leg exercises like squats, wall sits, and lunges.

October we learned kickball. We did arm exercises such as pushups, pull-ups/chin-ups, climbing the rope and the pegboard challenge.

November we (finally) played dodgeball with catching and throwing skills along with movement and strategy. We are improving our core and abdominal muscles with sit ups and planks.

December we worked on hockey skills.
