Thank you for contributing to our "Candy Gram" Fundraiser. We raised \$2000 for a local family whose child has cancer. This family is very appreciative of all the support. Thank you again!

Specials Corner: Music

There is a lot going on in music these days! Ask your child what belt they are working on or how many singing pink belts they've earned. Many students in 5th and 6th grade have earned chances to work on electric keyboards, drums, and guitars- an EES exclusive! Many students have also learned how to repair and maintain instruments. The band and orchestra classes have been transitioning from learning instruments as individuals to rehearsing pieces as a group and blending like an ensemble. 6th grade orchestra with Mrs. Barber had their first performance in February at the HS. We are looking forward to more concerts in early May. Please help the students keep track of their instruments/folders/books/song-sheets so they can be successful when they have music. Feel free to reach out to Mr. Kratz at (307)880-5352 if you have any questions or concerns. It is such a joy to teach these kids!
